## EXECUTIVE SUMMARY

Yvonne Addison formed Addison Prime in early 2020 to bring together commercial construction industry experts to provide the best in construction services specializing in renovations. Her background in operations and customer-focused engineering have given her the capability to build and lead high-performing teams and empower the team to meet business challenges that demand collaboration and creative solutions.

Mrs. Addison leverages her proficiency in business development, sales and operations planning, financial management and quality control to lead Addison Prime’s vision *to be the most trusted partner serving the commercial construction industry in Bexar and surrounding counties.*

Addison Prime has successfully completed projects with:  
Bexar County City of Pleasanton  
San Antonio Zoo University Health  
City of San Antonio Alamo Area Council of Governments  
Joint Base San Antonio (Ft. Sam Houston, Lackland and Randolph)

Yvonne Addison is a current Protege in the Bexar County - Associated General Contractors Mentor Protege program.

Outside of Addison Prime, Mrs. Addison has been a committed volunteer in the community and has served on various boards and committees. She served on the inaugural Industry Advisory Committee for CAST STEM and has been a member of the Junior League of San Antonio since 2010. During her time with JLSA, she helped establish the FAME (Funding Arts and Music Education) Awards in 2014 that continues to provide funding support to high school performing arts programs throughout Bexar County. From 2016-2018 she served on the JLSA Real Estate Task Force that over saw the sale of the historic King House and Bright Shawl.

In 2017, she co-founded the Engineering Alumni Council at UTSA and in 2019 was named to UTSA's 50th Anniversary "Roadrunners You Should Know". Today, Yvonne Addison continues to be actively involved in various professional and service organizations.
